INSTRUCTIONS FOR COMPLETING INDUSTRIAL / SPECIAL PURPOSE INCOME AND EXPENSE REPORT

The following instructions are provided to aid you in filling out this form. The information provided on the report should be in accordance with the accounting methodology used for Federal income tax purposes. Expenses are to be reported only once; double reporting is prohibited.

- Identify if the property is owner occupied or exempt from property taxes.
- Identify the accounting methodology used to complete this form.
- Provide a detailed description of the type of facility this property is being used for.

If you have any questions, please call this office at (202) 442-6794.

A. Debt Service Information

Please provide information concerning any loan placed on this property within the last three years. Please include any new loans or refinancing of original debt. This information is requested to study the financing trends for this property type to determine typical debt coverage ratios. The annual mortgage constant is located on the lender's disclosure form used by all federally insured institutions.

B. Certification

District of Columbia Law (D.C Code §22-2514) requires certification of this information by the owner or officially authorized representative. Please print or type the name and title of the person certifying the information, the name and phone number of the person to contact with questions on the information, and the property owner's Federal tax I.D. number.

C. Leased Areas

Please identify all leased areas of the property. Gross building area should equal the sum of finished area and unfinished area. Show size of the area used for warehousing and the size and type of any other areas being leased. Additionally, list the size of any yard area, the total size of the property and the typical ceiling or eave height of buildings. Attach an additional sheet, if necessary.

D. Vacancy Information

- Please provide the amount of vacant space, in square feet, available for lease on January 1 of the current year.
 - Please provide the anticipated use for the property during the indicated period.
- 2. Please provide the amount of vacant space, in square feet, available for lease on January 1 of the previous year.
 - Please provide the anticipated use for the property during the indicated period.
- 3. Please provide the estimated income loss due to the vacancy reported in question 2 above.
- 4. Please provide the actual income loss from collection, or bad debts.
- 5. Please provide the current asking price for the vacant space in question 1. Please indicate the type of space currently vacant.

E. Annual Income

Please enter income information for the period covered by this statement. Total potential income is 100% of the leasable square footage as though leased for 100% of 12-months at the actual contract rent for areas leased plus vacant space at the rents specified in Section D.

- 1. Total potential income from the rental of industrial space.
- 2. Total potential income from the rental of space other than industrial. Please indicate the type of space.
- 3. Total potential income from the rental of space other than industrial. Please indicate the type of space.

- 4. Income from the sale of utilities and services in addition to actual rental income. Usually these are cost reimbursements by the tenants over and above the base rent.
- 5. Actual income received for escalations in the base rents in accordance with the terms of the applicable leases.
- 6. Rents received over and above the guaranteed rent in accordance with the terms of the applicable leases.
- 7. Reimbursements paid to the owners for insurance claims.
- 8. Income to the property from the tenants' pro rata share of the operating expenses (pass-throughs), usually above a base amount or expense stop as specified in the terms of the lease/s.
- 9. Income to the property from the tenants pro rata share of real estate taxes (pass-throughs), usually above a base amount or tax stop as specified in the terms of the lease/s.
- 10. Any rental income received for garage and/or surface parking. Please list the number of parking spaces.
- 11. Please provide the number of parking spaces incorporated in office income.
- 12. Rental income for any specially designated space, which is not covered by the categories listed above. Specify the type of space to which the income relates.
- 13.-14. Please specify the type and source of any additional income received not covered in another category.
- 15. Sum of lines 1 thru 14.

F. ANNUAL OPERATING EXPENSES

These are expenses necessary to maintain the production of income from operation of the property. Do not include under any expense category items such as tenant improvements, ground rent, mortgage interest or amortization, depreciation, income taxes, or capital expenditures. **These are not operating expenses.** Capital expenditures include investments in remodeling, or replacements, which materially add to the value of the property or appreciably prolong its life. INCOME - EXPENSE FORM

Dear Property Owner:

To estimate the value of your real property for assessment purposes, our staff must analyze the property individually and in relation to similar properties. The Income – Expense form provides information needed to complete this analysis. It must be completed accurately to allow for comprehensive analysis. This form has been revised to provide for automated data entry of information into our computerized valuation system. Please print legibly on the lines to ensure accurate processing of data.

Filing of the Income – Expense form is required for income-producing or investment-type properties whether **RENTED, VACANT** or **OWNER-OCCUPIED** during the reporting period. **EXCEPTION:** RESIDENTIAL RENTAL PROPERTIES CONTAINING FOUR (4) OR LESS DWELLING UNITS are not required to report income-expense data. However, to avoid non-compliance penalties PLEASE note on the form that the property has four units or less and return the **signed** form.

The "New E-Conomy Transformation Act of 2000" provides a real property tax abatement for Qualified High Technology Company (QHTC). To be considered each year for this program, an approved **QHTC-CERT** must be submitted by each QHTC tenant with the filing of the income-expense form. To be eligible, the commercial property must have met the following criteria:

- Non-residential or mixed-use building in which 50% of the tenants are QHTC; or 50% of the aggregate square footage is leased to a QHTC; and
- Rent commence date stated; and
- A newly constructed building in which the initial certificate of occupancy or initial temporary certificate of occupancy was received after December 31, 2000 and the building meets the aforementioned requirements; or
- A building improved or renovated to adapt to use by a QHTC.

Please assist us in our efforts to bring efficiency to the Income – Expense filing process. Each of the forms has been specifically designed to allow for automatic collection of the information through a digital scanning process. It is imperative that you use **ONLY** the supplied forms for filing purposes. Do not use any older or modified versions as substitutes. In addition, it is important that you file for your property ONLY on the form coded for that specific property. The forms are credited as coded. If you do not receive a form for a property that you own, please call Anthony Daniels, Assessment Program Coordinator at (202) 442-6794 to arrange to have a correctly coded form sent to you.

Do not photocopy forms with a computer printed address line to use for another property. If you photocopy blank forms, make sure that it has the following: 1) square, lot and premise address and, 2) **all signatures are ORIGINALS.** Photocopied and stamped signatures will not be accepted.

Please return the completed form in the enclosed pre-addressed envelope, or deliver it to **941 North Capitol Street, N.E., 1^{st} floor** between 8:30 A.M. - 4:30 P.M. on or before April 1, 2003. Failure to fully and timely complete and return this Income – Expense form shall result in a 10% penalty added to the real property tax bill for the next succeeding tax year.
